**Subject:** May 30 Puget Sound Nutrient Forum information

Good morning,

Before many of you head out to enjoy the holiday weekend, I would like to share the responses that we received from the questionnaire that was distributed after the last Forum meeting. We appreciate the time that many of you took to provide responses, and it is helpful for us to understand what many of your concerns and issues are. I intend to address these throughout the course of the Forum meeting series so we can have good discussion about them.

Final May 30 Forum Agenda: [https://www.ezview.wa.gov/Portals/\\_1962/Documents/PSNSRP/Nutrient%20Forum%2030May2018%20Agenda.pdf](https://www.ezview.wa.gov/Portals/_1962/Documents/PSNSRP/Nutrient%20Forum%2030May2018%20Agenda.pdf)

It's going to be a packed house at the Red Lion Conference Center and on webex! Thank you everyone who registered too, that helps a great deal with meeting planning. **We have more people respond to the survey monkey registration that they want to attend by webex than the number of people who registered with webex.** If you think you registered for the webex but did not receive a confirmation email with login instructions, please use this link to complete your webex registration: <https://watech.webex.com/watech/onstage/g.php?MTID=e3df0fadbeba72fdc4754cbd7aeb421c4>

We will also try to get the presentation slides posted to the web the day before so you can print off a copy for notes if you wish. We are trying to reduce the amount of wasted paper we generate for these meetings so we will be bringing limited copies of the Agenda and the questionnaire responses, and we ask that you print your own copies of the documents if you need them.

If you have any questions about the meeting next week or your webex registration please let me know.

Sincerely,

**Dustin Bilhimer**, *PSNSRP Project Manager*
